Lisa Zanellati's cover letter

Dear Recruiter

My name is Lisa Zanellati, and I'm an Italian Designer with a background in Marketing and Fashion Design.

I am currently working as a Senior 3D Designer at Puma, where I create visual content for a variety of purposes, including internal product validation, marketing campaigns, and new product launches.

Alongside my core role, I cultivate a strong interest in complementary creative disciplines such as illustration, motion graphics, 2D animation, and garment construction. This multidisciplinary background enriches my design approach and allows me to bring a broader, more versatile perspective to the teams I collaborate with.

I am a positive, curious, and highly adaptable person. Having lived and worked in different countries, I have learned new languages and embraced diverse cultures and working methods. These experiences have made me flexible, quick to learn, and ready to take on new professional challenges with enthusiasm and a strong sense of responsibility.

Looking forward to hearing back from you.

Best regards,

Lisa Zanellati
